

# **Carolinas Region Honors in Action Project Award & Carolinas Region College Project Award Information**

The 2012 Hallmark Awards competition (based on activities completed from January 1, 2011 - December 31, 2011) has categories that reflect Honors in Action. This integrated approach to chapter programming encourages chapters to use the Honors Study Topic as their foundation to incorporate all four Hallmarks – Scholarship, Leadership, Service and Fellowship – into their projects.

## **Honors In Action Project**

The Honors in Action Award will allow chapters to report on ONE in-depth Honors in Action Project based on an issue from the current Honors Program Guide, *The Democratization of Information: Power, Peril and Promise*.

## **College Project**

Chapters may also submit ONE entry featuring their College Project, described in Level Three of the Five Star Chapter Development Plan. The **purpose** of the **College Project** is to establish a **supportive relationship between the chapter and the college administration**. The chapter should meet with the college president (or other appropriate administrator) to determine the College Project, which can be anything that supports the college's mission.
